Refund Policy

The council contracts for services on behalf of the National Jamboree contingent participants. Jamboree deposits are non-refundable, but transferrable to another participant.

- Regardless of the date, as long as there is a Scout who is an acceptable replacement and that replacement is paid up according to the council payment schedule, **and** the council contingent is full, there will be a full refund.
- If a replacement is not found or paid up according to the council payment schedule, a refund less the National Jamboree fee (\$975) will be refunded.
- Generally, there will be no refund of any money that has been expended on behalf of the Jamboree participant unless an acceptable replacement is available and paid up according to the council payment schedule. These expenses include, but are not limited to, National Jamboree payments, transportation fees, hotel accommodations, special event tickets, equipment purchases, and jamboree patches.

- Exemptions can be considered to allow for partial and full refunds considering hardship circumstances. These circumstances include unforeseen medical problems and a death in the immediate family. Summer school is **not** a hardship circumstance.
- Refund requests will be considered when a parent or guardian of the participant submits a refund request in writing to the Jamboree Committee of the Hudson Valley Council advising them of the circumstances of the withdrawal from the contingent.
